THE ARENA VENUE

ABOUT THE ARENA VENUE

Introducing our exceptional 6000sqm indoor venue, a versatile space designed to set the stage for extraordinary exhibitions and events. A sprawling area with expansive facility offering endless possibilities.

THE ARENA RIYADH VENUE, a multi-functional indoor venue with an area of 6000sqm. The Arena is the ideal venue designed to host large scale National, regional and international exhibitions, events, and conferences in Riyadh with the capacity of seating up to 8000 persons.

THE LOCATION

The Arena Venue is situated in a prime location making it easily accessible for visitors.

The Arena is located in Riyadh, Kingdom of Saudi Arabia; it's around 10 minutes from King Khalid Airport, on the Eastern Ring Road, adjacent to Granada mall, group of international restaurants, and in proximity of the airport, makes it a convenient and appealing destination for a wide range of events. Here are some of the potential benefits:

THE ARENA VENUE IN THE HEART OF RIYADH

LOCATION BENEFITS

Accessibility | Airport

Airport Proximity: 10 minutes away from King Khaled International Airport makes it convenient for both domestic and international travellers to attend events at The Arena Venue. Visitors can quickly reach the venue from the airport, reducing travel time and logistical challenges.

Convenient Amenities | Granada Mall

Mall Access: The proximity to Granada Mall provides increased foot traffic for event attendees. As visitors visiting the mall are more likely to explore the event and exhibition before or after.

Parking Spaces

Availability of parking facilities in the area ensuring all attendees can park their vehicles conveniently.

Accommodation Options

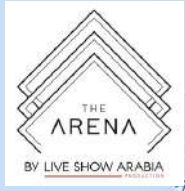

Hotel Convenience: The presence of a nearby hotel offers attendees comfortable and convenient accommodations, reducing the need for extensive travel between the event venue and lodging.

Dining Variety

Restaurant Choices: The availability of restaurants and coffee shops in the area ensures that event-goers have access to a diverse range of dining options, catering to various tastes and preferences.

THE DESIGN

A multifunctional 6,000sqm event venue (100m x 60m) with a height of 18.5 meters is a versatile space designed to host a wide range of events, such as exhibitions, conferences, concerts, trade shows, and more.

The Arena Venue is convenient for adaptable layouts, advanced technology, and various amenities to accommodate the specific needs of different types of events. A blank canvas offering flexibility in terms of seating arrangements, lighting, sound systems, and decor, making it suitable for diverse occasions.

EXTERIOR DESIGN

ENTRANCE AND FACADE

The main entrance serves as the focal point of the venue's exterior. It features a grand and aesthetically pleasing facade, with branding elements and decorative architectural details.

OUTDOOR LIGHTING

Exterior lighting highlights the architectural features of the entrance and enhances the venue's visibility at night. Illuminated signage and path lighting guide guests to the main entrance.

BACK OF HOUSE

The back-of-house area is designed for event staff and logistics. It includes storage spaces for event equipment, offices for event organizers, and catering facilities. Loading and unloading bays are positioned for easy access to the venue.

INTERIOR DESIGN

CLEAR-SPAN STRUCTURE

The interior of the venue is designed with a clear-span structure, meaning there are no interior columns to obstruct the space. This allows for maximum flexibility in arranging your events and exhibitions.

CEILING DESIGN

The design of the venue offers a high ceiling up to 18.5 meters giving a large space that definitely suits the needs of the exhibitors. The ceiling is capable of withstanding up to 250kg per rigging point.

BLACK INTERIOR

Black ceilings and walls create a dramatic and theatrical ambiance, making it suitable for theatrical shows, exhibitions, and upscale event spaces. The dark color can highlight the installations, drawing the audience's attention.

FLOORING

Concrete flooring inside the venue offering numerous benefits and durability. It is the exhibitors choice for temporary flooring options depending on event requirements .

HVAC

18 HVAC units inside the venue with a substantial system designed to control the environment, ensuring the comfort of all visitors

HOUSE LIGHTS

The venue is equipped with 60pcs of 500-watt light bulbs providing a high level of brightness, ensuring that the venue is well-illuminated.
